KENDELIER NEWS...

A big **thank you** to all of our loyal customers in 2010. Life can be busy when there are businesses to run, and often we don't have the time to thank our customers like we should.

We would like to take this chance to say **thanks for your business in 2010** – we appreciate it!

Retail, Urban Space – Shopping the Experience

Shop to shop, and shop to live. Attractive retail urban space is a catalyst to draw the people.

Kendelier Lighting has provided many projects with Architectural fittings to enhance the urban environment of cafés, retail frontage and shopping centre's.

Harvey Norman Shopping Centre's

Kendelier promenade fittings are incorporated into many Harvey Norman shop frontages.

Sylvia Park Retail Complex, Auckland

With over 5 hectares 4500 carparks and 200+ shops Sylvia Park is the largest shopping centre in the country. Kendelier Commodore fittings and tapered columns' were included in the modern and colorful theme.

Westfield Riccarton - Christchurch

This very busy shopping precinct, on the outskirts of Christchurch has been lit by the stunning Kendelier Aurora fitting. Indirect lighting reduces glare and casts a wide angle of soft light.
